1. Blood Group Detection Camp

Department of Microbiology under the guidance of Asst. Prof. Kulkarni M. B. and Asst. Prof. Napte S. U. in collaboration with NSS organized a "Free Blood Group Detection Camp" for the students of arts, commerce and science faculty and also for faculty. In this free blood group detection camp blood groups of more than 100 students including faculty are determined. The students of FY, SY and TY Microbiology were actively participated in the checking of blood groups of all these students. They also explained the medical importance of knowing our self blood groups. The inauguration of this Free Blood Group Detection Camp was done by the auspicious hands of our principal respected Dr. B. T. Lahane Sir.

4. Poster Presentation Competition and Science Scholar Competition Exam

On the occasion of Science Day Poster Presentation Competition and Science Scholar Competition Exam was organized by science faculty 28th February 2025. Students of microbiology were participated in both of these activities. SY Microbiology students Sayali Nalandwar, Prachi Gaikawad, and Sandhya Kamble presented a poster on "ABO blood group interpretation and importance of Blood group determination"

This poster presentation competition was inaugurated by our Principal Dr. B. T. Lahane Sir.

Asst. Prof. Santosh Napte guided these students to prepare and present poster on above topic.
