## Action Taken Report : 22-23

After random analysis of 20 feedback forms of T.Y students from Arts, Commerce & Science, faculties, we found the following impressions

### Suggestions : –

1. They need pure drinking water facility in college campus.
2. They said toilet should be in use and cleaned regularly.
3. They demanded to start Canteen facility in College Campus.
4. They demanded to increase books in College Library.

### Action Taken by the authorities : –

1. Pure water filter facility is made available already in college campus.
2. Toilet are opened for use & started to clean it regularly
3. Canteen will start very soon in college campus.
4. Every year new books are being added in the library.
